ORGAN CONCERT AFTER WORSHIP TODAY

Plan to stay after worship today for a **30-Minute Organ Concert** by our own Phil Holzman. He will share four pieces of organ literature from different countries and periods in history that will feature our organ's versatility. You're invited to grab a beverage and a snack and return to the sanctuary for the recital. Programs will be available. You're encouraged to sit on the balcony.

SPRING MINISTRY TUNE-UP AT GA CHURCH UPDATE

Healthy, vital congregations, often pause to do a check-up on how they are doing in ministry. Council invited interested congregation members to participate in listening sessions during the month of June. Twenty-five members of the congregation met with our assigned consultants, Pastors Jerry Wahl and Mary Halvorson, to discuss and share their thoughts on the following questions:

- What things are working/what they are thankful for;
- What things are getting in the way of our growth or progress in ministry;
- What are your hopes and dreams for GA/share your views for the future of our congregation?

Council has met with the consultants and is in the process of discussing the findings and determining any potential next steps.

We thank the members who participated in the listening sessions; their willingness to share their thoughts and feelings is so appreciated. Please continue to pray for the congregation, our members, our staff, and all others who need to be lifted up in God's grace and love.

GA SUMMER WALK

Join us to walk, talk, and enjoy God's beautiful creation. We have one more walk scheduled. Meet at the Silverwood Park Welcome Center on Silver Lake Rd. NE in New Brighton this Thursday, August 1, at 7:30 p.m.
