### **PRESENTATION ON NARTHEX AIR-CONDITIONING**

You may have noticed the past few Sundays that the Narthex is warmer than usual. Unfortunately, the air conditioner unit that cools that part of the building has failed. The Property Committee has determined the best action is to replace the unit, which will happen this coming Tuesday. There will be a brief informational session in the sanctuary right after worship today for those who are interested in learning more about the cost and scope of this project.

### **REFRESHMENTS ON THE PARKING LOT TODAY**

The Property Committee is hosting refreshments on the garage parking lot after worship today. This is part of the education and discussion process about our garage property and parking lot as we look at the need for updating and upgrading the parking lot and discussing the future of this property. Join us – and bring your thoughts and questions!

### **SEPTEMBER "GAZETTE" COMING THIS WEEK**

September is the start of the program year for our church. The September issue of our church newsletter will be mailed on Thursday and should arrive in your mailbox by the weekend. Please read it to learn about all the ministries, activities, and programs that will be beginning again in the fall.

### **LAST CHANCE TO SEE "WHAT'S UP, ZAK?" TONIGHT**

If you didn't get to see our summer children's musical on Friday night, please consider coming to church tonight at 7:00 p.m. to see this delightful show. You won't be sorry; it's pretty delightful!
